Professional & Therapeutic Harpist  
Advocate for Wellness & Conscious Self-Care

[www.TheHealingHarpist.com](http://www.TheHealingHarpist.com)

Amy Camie is a dynamic speaker who authentically expresses her gifts, compassionately lives her truth, and empowers others to do the same.

She combines 40+ years as a professional harpist, decades of personal self-discovery, and two journeys with breast cancer into fresh and inspiring programs that expand perceptions of interpersonal relationships, self-care, and creative expression.

In her unique presentations, Amy uses the harp and other acoustic tools to demonstrate how our energetic presence affects those around us.

She shares personal insights into how conscious and honest self-exploration go hand-in-hand to create harmonious environments. Recognizing the potential life lessons of every experience, Amy inspires participants to embrace the fullness of who they are.

With an open heart, Amy encourages audiences to discover deeper connections within themselves – creating more clarity, peace and harmony within and around them.
